RE: Request for Acceptance of Transfer, MCW Enterprises LLC to Martinique Mining Corp. Crescent Creek / May Day Mill, S/017/043, Garfield County, Utah

On July 12, 2001, the Division received a Transfer of Notice of Intention to transfer the Crescent Creek / May Day Mill from MCW Enterprises, LLC to Martinique Mining Corporation. Before the Division could concur with this transaction, a field inspection needed to be performed of the site. On October 26, 2001, a joint inspection of the site was performed with the BLM (inspection memo attached).

The permit fees have been paid for this project and the operator is in good standing. If you are in agreement with the acceptance of the small mining transfer, please sign and date the transfer form. We will then issue final acceptance of the transfer document and send a letter releasing MCW Enterprises, LLC from the site and place full mining and reclamation responsibility on Martinique Mining Corporation. Thank you for your consideration of this request.
